

**East Pikeland Historical Commission/HARB Meeting Minutes
July 17, 2013**

Attendees: Jim Garrison, Joanne Moser, Kris Jommersbach, Jamie Defelice,
and Tom Carnevale

Not in Attendance: Jon Gayl, Bob Friebel, and Molly Ruzicka

The meeting commenced at 7:00 pm. The meeting agenda was presented to the Commission members and the following issues were addressed:

GENERAL

- **Minutes** - The minutes from the June 24, 2013 meeting were presented and approved.
- **Township 175th Anniversary** - Ms. Moser discussed the plans to display historic memorabilia and information at the upcoming Kimberton Fair. She asked for help setting up and manning the display area during the seven days the Fair will be open.
- **Historical Resource Ordinance** – Mr. Garrison informed members that the Historical Resource ordinance has been submitted to the Township Planning Commission and Chester County Planning. Both groups have 30 days to review the document and respond. Should there be anything of substance that comes up in these reviews, the Commission will ask for consultant assistance.
- **American Battlefield Protection Program (ABPP) Grant** – Since there has been no movement by the ABPP to review/approve the document that was submitted 10 months ago, the Commission agreed that letters should be sent to PA Senators Toomey and Casey and PA House Representative Gerlach asking for their help in facilitating ABPP review.

The meeting was adjourned at 7:40 pm.
The next meeting is **August 21st** at **7:00pm**.

Respectfully submitted,
Kris Jommersbach
Secretary
