OLD BUSINESS

The Committee reviewed the “Single Waste Hauler Program” and agrees that it makes sense for the same reasons from 2009. The following information is needed in order to make a recommendation to the Board of Supervisors:

1. RFP’s from other Townships
2. Current costs from other Townships
3. Example Contracts from other Townships
4. Does the County have any info documenting # of single hauler programs vs no single hauler programs within the County?

June 18th Electronic Recycling Day - to be held at the Phoenixville Area High School from 9:00AM – 12:00PM. The Committee discussed having a staff of volunteers on site to keep track of the following:

1. Municipality of participant
2. How did participant hear about the event?
3. What types of items did participant drop off?
4. Does participant have an issue with paying a fee?

There is interest in staffing this event; however, list of confirmed EAC Staff Volunteers still needs to be worked out.

The Committee is on board with Dennis Ray joining the EAC and recommends Dennis’s appointment by the Board of Supervisors.

Conducted a brief discussion of the MS4 Stormwater Monitoring Program for the benefit of Dennis Ray.

Next EAC Meeting tentatively scheduled for Thursday, 5/26/16, at 7:00PM at the East Pikeland Township Building.
