

East Pikeland Township
Parks and Recreation E-Newsletter
Edition #1

Hello everyone and thank you for reading our first Park and Recreation E-Newsletter!

For those of you that completed our 2018 Parks and Recreation Community Survey, thank you for your time and input! We hope to be able to expand our parks and recreation options in the coming years as a result of your comments and suggestions.

As many of you may know, the Parks and Recreation Board is made up of volunteers who are township residents. The seven-member board meets monthly and oversees community events, Kimberton Park, the French Creek Trail, and anything parks and recreation related within the township!

We are excited to share upcoming events, recreation opportunities, reminders, and more with you. This newsletter will be published monthly, usually in the beginning of the month. For other updates check out the East Pikeland Township Facebook page and website, www.eastpikeland.org.

Thanks for your support of parks and recreation in East Pikeland,

The East Pikeland Parks and Recreation Board
