Working on property easement with C. Raymond Davis for ADA Access. Plumbing & electrical is being sent out for bid. This will be submitted to DCNR with site drawings

Park & Rec Board unanimously voted to go with the plumber's suggestion to put restrooms on one side and dressing rooms on the other. Both split Male/Female. This way plumbing is only run to one side of structure; a cost saving solution.

Halloween Decoration Contest: Judging will take place between October 20th & 29th. Residential only, no commercial properties. Judges will meet Oct. 29th and decide on the winner. There will be 3 divisions of the Township and there will be 3 finalists per division. Winners will be announced on the East Pikeland Website.

Possible Pokemon Go Game: Jonathan Work brought up the suggestion to order an 8 pack of lures for the afternoon and early evening of the Movie Night. This will bring in more people for the Movie and occupy adults & kids before the film. The Board will discuss this further at the next meeting. An 8 pack of lures costs \$6.80 to turn on for 30 minutes at a time.

Meeting adjourned. Next meeting will be August 25, 2016 at 7pm
